

Uniform Standard

Team Uniform:

Multicam Pattern in 'ACU' cut.

- CALLSIGN - 5 inch name tape located on right chest (same location as on ACU) - Link: <http://www.1800nametape.com/multicam.htm>
- GUN DEVILS - 5 inch name tape located on left chest (same location as on ACU) NOTE the space - Link: <http://www.1800nametape.com/multicam.htm>
- TEAM PATCH - Placed on Left Shoulder (Velcro Attached)
- EVENT PATCHES - Placed on Right Shoulder (Velcro Attached)
- Sample Blouse - <http://www.bdu.com/F541838377.html>
- (Should you want to use Velcro ask and I'll provide the link.
- Sample Pants - <http://www.bdu.com/F521838377.html> BLACK TSHIRT - under Multicam top.

HEADGEAR

- CALLSIGN - Should be attached to the back of headgear, and 'ranger eyes' before first night mission. (Some events use headgear type to denote team, so while you may have a preferred headgear, it's recommended that you get both a cap and bonnie style in case this happens).
- Bonnie: - <http://www.bdu.com/F550238377.html>
- Patrol Cap - <http://www.bdu.com/F550514377.html>
- Baseball Cap - [http://store.matrixbb.com/servlet/-strse-27521/Crye-Precision-Licensed-Cry/DetailLBV/VEST:Multicam or OD Green](http://store.matrixbb.com/servlet/-strse-27521/Crye-Precision-Licensed-Cry/DetailLBV/VEST:Multicam%20or%20OD%20Green) - operators choice on style.

Recommended:

GUN DEVILS tape on back of vest (velcro attached) (most of our rigs already have a spot for this)

CALLSIGN tape on front of LBV (velcro attached)

All above links are for examples, feel free to purchase elsewhere.
